

Bridge over troubled water

When you're weary, feeling small

When tears are in your eyes

I will dry them all

I'm on your side

Oh, when times get rough

And friends just can't be found

//: Like a bridge over troubled water

I will lay me down ://

When you're down and out

When you're on the street

When evening falls so hard

I will comfort you

I'll take your part

Oh, when darkness comes

And pain is all around

//: Like a bridge over troubled water

I will lay me down ://

Sail on silver girl, sail on by

Your time has come to shine

All your dreams are on their way

See how they shine

Oh, if you need a friend

I'm sailing right behind

//: Like a bridge over troubled water

I will ease your mind ://

Seasons of love

525 thousand 600 minutes,

525 thousand moments so dear.

525 thousand 600 minutes

-How do you measure, Measure a year?

In daylights, in sunsets, in midnights, in cups of coffee.

In inches, in miles, in laughter, in strife.

In 525 thousand 600 minutes

-How do you measure a year in the life?

//: How about love? :// 3x

Measure in love. Seasons of love.

525 thousand 600 minutes!

525 thousand journeys to plan.

525 thousand 600 minutes

- how do you measure the life of a woman or man?

In truths that she learned,

Or in times that he cried.

In bridges he burned,

Or the way that she died.

It's time now to sing out,

Tho the story never ends

let's celebrate remember a year

In the life of friends.

//: Remember the love! :// 3x

Measure in love.

Seasons of love! Seasons of love.

You Will Be Found

Even when the dark comes crashing through
When you need a friend to carry you
When you're broken on the ground
You will be found

So let the sun come streaming in
'Cause you'll reach up and you'll rise again
If you only look around
//: You will be found :// 5x

Out of the shadows
The morning is breaking
And all is new, all is new
It's filling up the empty
And suddenly I see that
All is new, all is new

//: You are not alone :// 8x (+3)

Solo:

Even when the dark comes crashing through
When you need a friend to carry you
When you're broken on the ground

Kör:

You will be found
So let the sun come streaming in
'Cause you'll reach up and you'll rise again
If you only look around
//: You will be found :// 4x

Tillägnan

Till dig, du som är fjärd och spegel
Bidande segel, stiltje och vind
Du som är ebb och flod
Eldströmmen i mitt blod
Jag är din!

Till dig, du som är spår i sanden
Eldsken på stranden, molndrakar sju
Du som är lust och lek
Hägrande kust och svek
Det är du!

Till dig, måsarnas vita flykt
Ja, till dig
Sommarljus varmt och tryggt
Ja, till dig, till dig, till dig

Till dig, du är långt bort och nära
Vågor ska bära dig till min strand
Du som är böljesång
Dyningens mjuka gång intill land
Till dig

The Boy Can Dance

The boy can dance

The boy can dance

soul, soul, soul

If he can dance, dance, dance

Gimme gimme, show me the real thing

Gotta gimme gimme,

you're gonna take him high

Come alive, If he's the one for you

If he can dance, dance, dance

Shake it shake it gotta believe it

Gotta shake your way

right into his heart tonight

Make it right

You know it if it's true

If he can dance

The boy can dance, The boy can dance

control, control, control

If he can dance dance dance...

We believe in everybody's

right to express their love

a way to make it right

Never Let it Go

So, never let it go

Never stop 'til you know

We'll be reaching for the top tonight

Surrender to the beat up and down

In the heat we'll be shaking, shaking

So, never let it go

Never stop 'til you know

We'll be reaching for the top tonight

And when the night is over

I'll take you in my arms now

Joyful, Joyful

Joyful, Joyful

Lord, we adore Thee

God of glory

Lord of love

Hearts unfold like flowers before Thee

Hail Thee as the sun above

Melt the clouds of sin, sin and sadness

Drive the dark of doubt away

Drive it away

Giver of immortal gladness

Fill us

Fill us with the light of day

Light of day!

You've got a friend

You just call out my name
And you know, wherever I am
I'll come runnin', runnin', yeah, yeah
To see you again
Winter, spring, summer or fall
All you got to do is call
And I'll be there, yes, I will
(You've got a friend)

Now, ain't it good to know that you've
got a friend
When people can be so cold?
They'll hurt you, yes, and desert you
And take your soul if you let them
Oh, but don't you let them

You raise me up.

Rolf Løvland, Brendan Graham/ Josh Groban

When I am down
and oh, my soul, so weary
When troubles come
and my heart burdened be
Then, I am still
and wait here in the silence
Until You come
and sit awhile with me.

You raise me up,
so I can stand on mountains
You raise me up,
to walk on stormy seas
I am strong,
when I am on your shoulders
You raise me up
to more than I can be
